Dear Learner,

Greetings from Studyopedia!
At the time of Corona Outbreak, learning online is the key to success and students should take ample advantage of #StayHome time.

Looking this, we have come with Internship opportunity for students at discounted rates.

Here are the details:

- **Python Training**: 12000 INR / student (150$ for International Students)
- **WordPress Training**: 8000 INR / student (100$ for International Students)
- **Bootstrap Training**: 9000 INR / student (120$ for International Students)

Students can opt for any one of the above or both. Training would be conducted online in batches based on the number of students.

With that, we are offering the following discount for colleges:

- **30% discount:** 20 < Students < 30
- **40% discount:** 30 < Students < 40
- **50% discount:** 40 < Students < 50
- **60% discount:** > 60 students

More details:

- Students will get Internship completion certificate.
- Students need to complete a Live Project as well.
- Daily assignments would be assigned to students.

Contact for more information, course syllabus and slots.
